**From the Lyman Williams Collection: Q: What’s the range of a bagpipe? A: Twenty yards if you have good aim.**

*Shortbread* needed for the July 21 pipe band concert. SAS members give out samples to promote the club. People ask, "What can I do to help?" Well, here's your chance!

With his thumb, a hitchhiker says, "You furnish the gas, car, attend to the repairs and upkeep, supply the insurance and I'll ride with you. But if you have an accident, I'll sue you for damages." It sounds pretty one-sided but one wonders how many hitchhikers there are in many organizations and even churches. Many members seem to say, "You go to the meetings, serve on boards and committees, do the paper work, study the issues, contact the legislators and take care of things that need doing and I'll just go along for the ride. If things don't suit my fancy, I will complain, criticize and probably get out and hitchhike to another group." Hitchhiker or driver, which kind of member are you? "*Truck Tracks*" 1975
